*Tulare County Fair
2007 Theme Announced***

(Tulare, CA) – The Tulare County Fair Board of Directors and staff are pleased to announce the theme for the 2007 Tulare County Fair; *Harvesting Countywide Pride*.

The 2007 Fair theme was selected with the focus on the Fair's top priority; to reacquaint members of the many communities with the Fair. With numerous high quality commodities, many diversified residents, and the pride that comes with living in Tulare County, *Harvesting Countywide Pride* is self describing. Tulare County has a lot to showcase and be proud of. "We would like to spotlight the fact that this Fair belongs to the entire county and not just one or two communities," states Interim General Manager Susie Godfrey.

Get ready to *Harvest Countywide Pride* at the 2007 Tulare County Fair, September 12th - 16th. For more information, contact the Fair Administration office located at 215 Martin Luther King Jr. Ave in Tulare by calling 559-686-4707.
