

## **POULTRY PLAY DAY**

**March 1, 2008**

**Pre-Registration Encouraged** to guarantee availability of information and handouts. Postmarked by Friday, February 22, 2008.

**NO ENTRY FEE**

**LATE REGISTRATION ACCEPTED UNTIL DAY OF EVENT.** Availability of handouts is not guaranteed with late registration. Pre-Registration is especially encouraged for those bringing birds to be evaluated.

Registration Form is included in this book.

The purpose of this Play Day is to foster a non-competitive, educational environment for all participants that will raise the level of education concerning Poultry projects while encouraging the fun aspects of exhibiting a junior livestock project.

This Play Day is open to all youth, parents and youth advisors. Any person with an interest in poultry is welcome to attend.

The Poultry Play Day will be held in Building 2 of the Tulare County Fairgrounds. If you have items to unload you may enter through gate 20 on "K" St. After unloading, all vehicles must be moved to the parking lot on "K" Street. For those arriving Friday evening, limited cages will be available to coop your birds in. Owners will be responsible for providing food and water containers as well as the feed. The building and a Poultry Health Inspector will be available from 6:00pm-8:00pm.

A licensed APA Judge will be available to evaluate your bird(s). We will do our best to have every bird brought evaluated but reserve the right to limit the number if needed. Priority will be given to those who pre-register.

**All birds entering the fairgrounds must go through a health inspection.** For those arriving on Friday evening (see above), an inspector will be available from 6:00-8:00 pm. For those arriving Saturday morning with birds, a Poultry Health Inspector will be available from 8:00am-9:00am.

**Program will be held on March 1, 2008 and will start at 9:00 am.**

### **Workshops will include:**

Bird Selection  
Health Issues  
How to Prepare Birds for Show  
Showmanship  
And More

### **Other activities will include:**

Breed Display  
Chick Sale  
Poultry Bowl of Knowledge  
Poultry Club Information and Displays
